SHOE SIZE? (EUR Sizing) \_\_\_\_\_

# BOOT OUTER!

This is the hero side of the shoe. Here you should focus the main part of your design.

## DESIGN TIP!

Be bold here, use plenty of color and strong lines. Check out how the shoe ink collections use this side of the boot for inspiration.

# BOOT INNER!

This is the inside of the shoe. This part of the boot gets the most wear and tear.

## DESIGN TIP!

Try to keep this side of the shoe simple. Check out how the shoe ink collections use this side of the boot for inspiration.
